PO BOX 15215, OKONGO**

In collaboration with the Ministry of Environment & Tourism, WWF, NDT

CALL FOR PROPOSAL

**FOR A JOINT VENTURE (JV) LODGE DEVELOPMENT IN OKONGO
CONSERVANCY WILDLIFE CORE-AREA**

Okongo conservancy was established in 2006 and registered in Namibian Gazette No. 4331 in September 2009. The conservancy lies in the eastern part of Ohangwena region, 60 kilometers from Okongo settlement in the northern part of the country. Okongo conservancy covers an area of 134 000.338 ha. The conservancy has a wildlife core-area, which is a home to herbivores such as Giraffe, Kudu, Eland, Steenbok and Duikers as well as predators such as Leopard, Wild dogs and Cheetah.

The Okongo Conservancy seeks proposals from potential investors to develop a JV lodge within the Conservancy wildlife core-area. Potential investors are invited to register/respond to a call for a proposal and obtain a request for proposal (RFP) document.

Call for proposal Title	Okongo Conservancy Joint Venture (JV) Lodge development
Description of the JV Lodge development	It will consist of the development and management of the JV lodge and offer an exclusive use of game proofed fenced wildlife core area (4998 ha) with two functional waterholes and variety of game species. The JV lodge area is situated within Omulunga Palm tourism route which is a gateway to the Four Rivers Route. The wildlife core area is 20 km from the C45 and B10 route.
